The **5th Annual Trunk Show** is being held during the *Festival of the Islands* weekend. This is a heavily advertised event for the islands with a festival map that directs visitors to the Trunk Show at Grand Isle Art Works. The islands are a vacation destination. As such they are heavily populated during the summer months. Our summer visitors are eager to experience Vermont beauty – our **Trunk Show** does this well! Each year, we have increased our number of artists involved and the amount of visitors and sales.

This **Trunk Show** is being held on the grounds of the Grand Isle Art Works. It is a 2 day event. Participants may opt to attend only one day. There is a limited number of one day spaces. All participants will need a covered 10x10' sales area with tables. The gallery recommends that the artisan carry business insurance. The artist may not hold the gallery responsible in the event of fire, loss, damage, theft, or breakage. A \$25.00 reservation fee is required to hold a space.

Grand Isle Art Works offers this space with the understanding that there is a 85% commission to the artist, 15% to the gallery on all sales. We ask that each participant keep track of sales during the event. A check or cash is given to the gallery at the end of your participation. In return the gallery will advertise this event and provide equitable sales space for all participants. The \$25 reservation fee will be returned upon successful completion of the show expectations.

Please briefly describe the art work you plan to sell. If you are new to Grand Isle Art Works or the **Trunk Show**, do include representative pictures of your art work:
